THE RELIGIOUS WORLD

PROCEEDINGS OF THE METHODIST CONFERENCES.

The Parent Body at Navasota Dirpatching Business Rapidly-Reports of the Houston Churches. North Texas Conference.

Navasota, Texas, December 1.-The ses sion of the conference and the reports of those ministers who have up to this time given an account of their year's work show one very wonderful result. Notwithstanding the financial depression, which has affected every other business and which has driven many a promising and which has driven many a promising enterprise to the wall, most of these preactions amounts that all their sollections have been made in full. They represent every variety of work, from the large country struit to the flourishing city station, and this result seems to show that men equations grow more religious under the influence of calamity. All any rate, these reports show a condi-At any rate, these reports show a wonder-ful growth in the church, and a most succesaful year's work,

Sometimes there is something in the highest of handsgiving services per the county count to the highest conducted the services and when sends a ripule of laughter through the room; and sometimes there is some Wilson conducted the services and the room; and sometimes there is some-thing which brings a rush of tears to the presched, an aloquent sermon, listing eyes of many listeners. Yestorday when more than an hour, He delivered a prayer the name of Wessan was called, zmons the name of Wessan was called, zmons the supernumeraries an aged man stood up and told how, in November, 1843, he was admitted to the Texas conference, which then comprised the entire republic, and how, two years afterward he was ardelized deacon by History Soule; how his work had always been within the bounds of the Texas conference and that the severest blow he had ever received was when he had been placed on the was when he had been placed on the considered him too old for notive work I am not too old for work!" by ex-dalmed: "I shall never be too old for

SOME SPECULATION ON POLITICS IN THEXAS.

Ambitions of Several Who Would Gladly Serve the State-Insurance Matters Discussed-Plenty of Money Expected Soon,

Austin, Texas, December 1.—Wat Finley, the fluorical agent of the penitoritaries, told a Post reporter that he did not know who were the candidates for comptroller. A remark of this kind would ordinarily argue that Mr. Finley did not consider nimself a candidate for the nomination. But newspaper men are neither marines nor as unsophisticated and credulous as village makens, and therefore when the financial agent denied being a candidate and was surprised to hour his own name mentioned in this connection it was taken

mentioned in this connection it was taken cum grano sails, so to speak.

Mr. Finley's friends are convinced that he would really like to be addressed as the comptroller of public accounts of the State of Texas, and they also understand that he is placed in a delicase position over the concemplated race for the place.

Wat Finley and John D. McCall have been firm injuries for years, both having tectabed film places in the comptroller and office under Coppels Dardell mile Medall was cutef clerk under Swain, Pinley was cutef book keeper, and thus their positions librew them into intimate highests relations with old another. Their social relations with old another. Their social relations were as intimate, New I has leaded out that Comptroller McCall his become very fond of his present clust book keeper.
